## PERFORMANCE MEASUREMENT

Due to the inevitability of market fluctuation and resulting variations in investment performance, performance objectives will be measured over a five-year period. Performance returns will be gross of management fees and will be reviewed on a quarterly basis and evaluated on an annual basis.

### Performance Benchmarks

- |                             |   |                                       |
|-----------------------------|---|---------------------------------------|
| Cash Equivalent             | ~ | 91 day Treasury Bill                  |
| Convertible Securities      | ~ | ML Investment Grade Convertibles      |
| International               | ~ | MSCI EAFE Index                       |
| Large Capitalization Equity | ~ | Standard & Poor's 500 Index           |
